RECOMMENDATIONS

MEMORANDA

Neither INSB Class nor any of its officers, employees or agents shall be liable for any loss, damage or expense of whatever nature sustained by any person or entity caused by reliance on the information or advice or any inaccuracy in this document of howsoever provided or given in any way by or on behalf of INSB Class. Nevertheless, if any person who is party to an agreement pursuant to which INSB Class provides any services, uses INSB Class services or relies on any information or advice given by or on behalf of INSB Class and suffers loss, damage or expense which is proved to have been due to any negligent act, omission or error of INSB Class, its officers, employees or agents, or any negligent inaccuracy in information or advice given by or on behalf of INSB Class, then the Society will pay compensation for his proved loss up to, but not exceeding the amount of the fee (if any) charged by INSB Class for that particular service, information or advice.

IMPORTANT NOTICE TO OWNERS / MANAGERS OR OPERATORS

Class will be automatically suspended upon :

Failure to complete the Special Survey or Continuous Survey by the due dates, unless exceptional circumstances, a postponement of completion has been agreed (maximum 3 months).

Failure to complete the Annual or Intermediate Survey within 3 months of their due dates.

Failure to complete other periodical surveys or conditions of Class or outstanding recommendations within their due dates unless postponed by agreement. Non compliancy may jeopardize Class status.

Non compliance with the society's Rules or other applicable standards for defects or damages not reported to the society.

If the Class is suspended, Statutory Certificates issued by the society will automatically become invalid.

Repetitive Port State Control detentions may lead to Class being Suspended provided that detainable deficiencies are considered to have an effect towards ship's compliance with the society's classification Rules and Regulations.

Special Notes:

The present Survey Status Report may not include surveys carried out and recommendations posed but not yet reported to Head Office or entered to our records.
